Education

University of Minnesota Writing Studies	Ph.D. in Rhetoric and Scientific and Technical Communication, 2017
North Dakota State University English	M.A. in Composition Studies, 2012 B.A. in English Studies, 2004

Appointments

North Carolina State University, English	Associate Professor of Technical Communication *Fall 2026 – present*
	Assistant Professor of Technical Communication *Fall 2024 – Spring 2026*
Virginia Tech, English	Assistant Professor of Technical Communication and Data Visualization *Fall 2017 – Spring 2024*

Publications

in-progress

book

(Drafting prospectus to querying presses). Justice-Centered Data Design in Technical and Profession Communication. (tentative title)

articles

(In Production). Dylan Paisaq Itchuaqiyaq, Lucy Aviññaq Boyd, Cana Uluak Itchuaqiyaq, Chris Lindgren, Kara Long, Andi Ogier, Erin Yunes. To be REAL: How Indigenous community members engage the CARE Data Principles. Invited to contribute to special issue on "Indigenous Data Sovereignty & Governance."

chapters

(Accepted and copyediting). Methods for collecting and analyzing big data about social media. In E. Kalodner-Martin, M. Trice, and J. Frith, (Eds.), *The Routledge Handbook of Social Media and Technical and Professional Communication*. Invited to contribute.

Presentations

invited

Guest speaker. (19 Aug. 2026). Data Journalism Panel. Student Journalist Society, North Carolina State University.

Guest speaker. (16 May 2026). Building Indigenous Data Sovereignty through Self-Determined Community Digital Archiving. Building Community-Centered Partnerships between NC State and the Tuscarora Nation of North Carolina. Office of Research and Engagement, North Carolina State University.

Lucy Aviñnaq Boyd, Chris Lindgren, and Kara Long. (2026 Jan. 16). The Benefits of

Community-Engaged Research. Center for Sustainable Engagement in the Arctic, Virginia Tech.

Guest lecture. (2023 Nov. 7). Discussing topics and issues in the subfield of Writing and Rhetorics of Code. John Gordon's multi-disciplinary undergraduate course, "Code Studies." Utah State University.

Guest lecture. (2023 Sep. 5). Discussing social media data collection, network analysis, and my article, "Building an Infrastructural Praxis." Jacob Greene's graduate-level course, "Digital Research Methods." Arizona State University.

Keynote address. Jim Ridolfo, William Hart-Davidson, and Chris Lindgren. (20 Oct. 2021). Tracking illicit 'paper mill' activity and the compromised recomposition of university websites. *International Center for Academic Integrity's International Day of Action Against Contract Cheating*. University Ombuds, Michigan State University.

Guest lecture. (2021 Apr. 14). Discussing my article, "Writing with data." John Gallagher's "Writing with Technologies" undergraduate course. University of Illinois-Urbana-Champaign.

Guest lecture. (2018 Feb. 6). Discussing rhetoric, code and software studies. "Rhetoric, Technology, and the Internet" undergraduate course, University of Minnesota-Twin Cities.

(Nov. 2018). Writing with data: A case of a coder's data sense on a data-journalism team. *STS Seminar*. Department of Science, Technology, and Society, Virginia Tech.

(Jan. 2016). Code literacy. *Critical Code Studies Working Group* (Online, dialogic conference). The Humanities and Critical Code Studies Lab, University of Southern California.

(Oct. 2014). The dynamic materialities of computer programming practices. *ACM SIGDOC*. Colorado Springs, CO.

(Mar. 2014). Critical code studies roundtable. *Digital Arts, Sciences, and Humanities*. University of Minnesota: Digital Library Services.

conferences

Lucy Aviññaq Boyd, Chris Lindgren, Andi Ogier, and Kara Long. (Apr. 2026). To be REAL: How Indigenous community members engage the CARE Data Principles. *U.S. Indigenous Data Sovereignty Summit*. Tucson, AZ.

Kara Long, Andi Ogier, and Chris Lindgren. (Mar. 2026). The Rematriation Project: Building partnerships to support community archives. *Alaska Library Association Conference 2026*. Sitka, AK.

Cana Uluak Itchuaqiyaq, Chris Lindgren, Kara Long, and Andi Ogier. (9 Oct. 2025). Equitable co-authorship in community-engaged research. *Engagement Scholarship Consortium Conference*. Roanoke, VA.

(Apr. 2025). Remixing writing pedagogies with writing code and data through exploratory data analysis. *NCTE CCCC*. Baltimore, MD. doi:

10.5281/zenodo.15178056.

(Oct. 2024). Technical Communication's fight against extractive large language modeling by applying FAIR and CARE principles of data. *Panel: Staying in the Loop: Data, Modeling, and Prompting as Sites of AI/ML Intervention*. *ACM SIGDOC*. Arlington, VA.

Cana Uluak Itchuaqiyaq, Chris Lindgren, Andi Ogier, and Dylan Paisaq Crosby. (Apr. 2024). Supporting Indigenous Data Sovereignty through Community-led Partnerships: The Rematriation Project. *U.S. Indigenous Data Sovereignty Summit*. Tucson, AZ.

(Mar. 2024). How to identify recurrent conflicts and issues during quantitative work with a Stasis Network methodology. Symposium on Communicating Complex Information. Old Dominion University, Norfolk, VA.

(Oct. 2023). Show your work! Three qualitative methodologies to revise and reimagine quantitative work as communication design. *ACM SIGDOC*. Orlando, FL.

Cana Uluak Itchuaqiyaq, Kara Long, Chris Lindgren, Erin Yunes, Corina Kramer. (24 Feb 2023). The Rematriation Project: Developing a collaborative, equitable, Indigenous-first digital archive design process. *Arctic Science Summit Week*. Vienna, Austria.

Cana Uluak Itchuaqiyaq, Chris Lindgren, & Corina Kramer. (Jul. 2022). Enacting Equitable UX in Community-Engaged Rematriation Research. *IEEE ProComm*. Limerick, Ireland.

Sweta Baniya, Chris Lindgren, Kevin Smith, Steve Parks, and Laura Gonzales. (Mar. 2022). The white supremacy of academic scholarship: A data analysis of Composition/Rhetoric top journals and the denial of equity. *NCTE CCCC*. Chicago, IL.

Lindgren, Chris & Margaret Fernandes. (Jun. 2021). The when of racialized infrastructure: Proximities of white supremacy on Twitter. *ATTW*. Online.

Lindgren, Chris & Margaret Fernandes. (Mar. 2020). Proximities of white supremacy online: Towards measuring racist discourse to engage content moderation problems. *ATTW*. Milwaukee, WI. [Conference cancelled]

(Mar. 2019). Ethical tactics for coding literacy. *NCTE CCCC*. Pittsburgh, PA.

(May 2018). Invention and quantification: Finding stories with digital data. *Rhetoric Society of America*. Minneapolis, MN.

Baniya, Sweta G., Hutchinson, Les, Kumari, Ashanka, Larson, Kyle & Chris Lindgren. (May 2018). Roundtable on Representing diversity in digital research: Digital feminist ethics and resisting dominant normatives. *Computers & Writing*. Fairfax, VA.

(Feb. 2018). Finding stories with data through computer coding. *Symposium on Communicating Complex Information*. East Carolina University, Greenville, NC.

(Sep. 2016). Understanding big data processing as designing provisional texts. *ACM SIGDOC: Student Research Competition*. Silver Springs, MD.

(May 2016). How do you know what they are doing? Researching the rhetorics of action and procedure with an embodied and distributed methodology. *Rhetoric Society of America*. Atlanta, GA.

(Oct. 2015). Writing practices anchored by links. *WIDE-EMU*. Michigan State University, East Lansing, MI.

(May 2014). Swapping gender and negotiating differences through data structures. *Rhetoric Society of America*. San Antonio, TX.

Christina Haas & Chris Lindgren. (February 2014). Panel co-respondent. The material turn in Writing Studies. *Writing Across Borders III*. Paris, France.

(Oct. 2013). The rhetorical influence of Google's ecosystem of APIs on web developer practices. *Western States Rhetoric & Literacies*. Salt Lake City, UT.

(Apr. 2013). The performative stylistics of glitching video codecs. *Doing Rhetoric at the U*. Minneapolis, MN.

(Mar. 2013). Building a smarter computing culture with proceduracy. *NCTE CCCC*. Las Vegas, NV.

(Dec. 2012). De-boxing Pandora: Tinkering with glitch art methodologies. *GLI.TC/H*. Chicago, IL.

Kevin Brooks, Chris Lindgren, Emily Bartz & Jade Sandbulte. (Nov. 2012). The techno-social politics of the Sugar OS: An afterschool computer program case study." *Great Plains Alliance for Computers and Writing*. Mankato, MN.

Kevin Brooks & Chris Lindgren. (May 2011). Participating in OLPC: Visions for Computers and Writing. *Computers and Writing*. University of Michigan.

Chris Lindgren, Abigail Bakke, Sreerupa Sengupta & Karen Sorenson. (October 2010). Second Life and Writing in the Design Professions. *Great Plains Alliance for Computers and Writing*. North Dakota State University.

Awards & Fellowships

awards won

- 2025 CCCC Technical and Scientific Communication Award for Best Article on Philosophy or Theory of Technical or Scientific Communication
  - *Article: "Decolonizing Community-Engaged Research: Designing CER with Cultural Humility as a Foundational Value" co-authored with Cana Uluak Itchuaqiyaq and Corina Qaaġraq Kramer*
- 1st Place. 2016 Student Research Competition. Understanding big data as designing provisional texts: A case of how an aggregate narrative was made. Poster and presentation judged at *Special Interest Group on the Design of Communication*.

nominations

- 2026 CCCC Technical and Scientific Communication Award for Best Article Reporting Historical Research or Textual Studies in Technical or Scientific Communication
  - *Article: "Technical Communication's Fight Against Extractive Large Language Modeling by Applying FAIR and CARE Principles of Data" co-authored with Erin Yunes and Cana Uluak Itchuaqiyaq*
  - *Nominated by the editors of the Journal of Business and Technical Communication*

fellowships

- 21st Century Summer Research Fellow. (Summer 2016). Department of Writing Studies and Graduate School, University of Minnesota.
- Graduate Research Partnership Program Fellow. (Summer 2015). Department of Writing Studies and Graduate School, University of Minnesota.
- RSA Social Media Fellow. (May 2014). Rhetoric Society of America.
- James I. Brown Fellow. (Summer 2014). Department of Writing Studies, University of Minnesota.
- Medtronic/Industrial Affiliates Program Fellow. (Spring 2014). Department of Writing Studies, University of Minnesota and Medtronic.
- James I. Brown Fellow. (Spring 2013). Department of Writing Studies, University of Minnesota.

funded
$347,869

The Rematriation Project

- Preserving Iñupiat Ilitqusiat: Digitizing Audiovisual Records of Northwest Alaskan Iñupiat Knowledge Bearers' Voices & Values, 1970s-2010s. Council on Library & Information Resources, Recordings at Risk.
  - PI: Lucy Aviññaq Boyd
  - Co-PI: Chris Lindgren, Andi Ogier
  - Date range: 10/01/2026 - 10/01/2027
  - Grant total: $32,877
- Developing Community Archiving Capacities in Northwest Alaska. Institute of Museums and Library Services, Laura Bush 21st Century Librarian Program.
  - *PIs: Cana Itchuaqiyaq, Andi Ogier, Kara Long, Chris Lindgren, Lucy Aviññaq Boyd*
  - *Submitted Date: 09/2024*
  - *Grant total: $239,742*
  - *Subaward through Aqqaluk Trust: $5,000*
- Wilburforce Foundation
  - *PIs: Cana Uluak Itchuaqiyaq, Chris Lindgren*
  - *Start date: 09/01/2022*
  - *$5,000*
- Trust for Mutual Understanding
  - *PIs: Cana Uluak Itchuaqiyaq, Chris Lindgren*
  - *Start date: 8/24/2022*
  - *$17,000*
- NorthLight Foundation
  - *PIs: Cana Uluak Itchuaqiyaq, Chris Lindgren*

- *Start date: 08/09/2022*
- *$10,000*

- Ocean Conservancy
  - *PIs: Cana Uluak Itchuaqiyaq, Chris Lindgren*
  - *Start date: 06/01/2022*
  - *$25,000*
- Trust for Mutual Understanding
  - *PIs: Cana Uluak Itchuaqiyaq, Chris Lindgren*
  - *Start date: 12/20/2021*
  - *$15,750*

The White Supremacy of Academic Scholarship: A Data Analysis of Composition/Rhetoric Top Journals and the Denial of Equity.

- CCCC Research Initiative Grant.
  - *PIs: Sweta Baniya, Chris Lindgren, Kevin Smith, Steve Parks, and Laura Gonzales*
  - *Start date: Summer 2022*
  - *$2,500*

not funded

- Developing Community Archiving Capacities in Northwest Alaska. *National Geographic Society*, Enduring Impacts: Archaeology of Sustainability.
  - *Leader*: Kara Long
  - *Local Collaborator*: Lucy Aviññaq Boyd
  - *Members*: Andi Ogier, Chris Lindgren, Erin Yunes, Cana Uluak Itchuaqiyaq
  - *Date range*: 03/01/2026 - 09/30/2027
  - *Grant total*: $247,362
  - *Subaward Total: $5,000*

- Developing Community Archiving Capacities in Northwest Alaska. *Henry Luce Foundation*, Indigenous *Knowledge Program*.
  - *PIs: Cana Uluak Itchuaqiyaq, Lucy Aviññaq Boyd*
  - *Investigators: Andi Ogier, Kara Long, Chris Lindgren*
  - *Submitted date: 04/2025*
  - *Grant total: $239,742*

- 2020 Anti-Racist Programs and Pedagogies Grant Award. Council for Programs in Technical and Scientific Communication.
  - *Main applicant: Amilia Evans*
  - *Co-Applicant: Chris Lindgren*
  - *$2,000*

internal funded $50,740

- Experiencing community archives through mobile texting. *Research Seed Grant*. NCSU CHASS.
  - *PI: Chris Lindgren*
  - *Date range: 05/15/2025 - 05/15/2026*
  - *$3,740*

- What visualization and documentation strategies do data scientists use during machine-learning projects? *First-Year Fralin Undergraduate Research Fellowship Program*. Fralin Life Sciences Institute, Virginia Tech.
  - *PI: Chris Lindgren*

- *Start date: 01/2023-05/2023*
- *$1,500*

- Planning the Digitization of the Caleb Pungowiyi Collection. *University Libraries Collaborative Research Grant for Humanities & Social Sciences*. University Libraries, Virginia Tech.
  - *PIs: Cana Uluak Itchuaqiyaq, Chris Lindgren, and Mike Adamo*
  - *Date range: 01/18/2022 - 01/17/2023*
  - *$5,000*

- Summer Stipend. Department of English, Virginia Tech.
  - *Date range: May 2021 – August 2021*
  - *$5,000*

- Center for Humanities Summer Stipend. Proximities of white supremacy online: Towards measuring racist discourse to engage content moderation problems. *Center for Humanities, Virginia Tech*.
  - *Date range: May 2020 – August 2020*
  - *$4,000*

- Faculty Mentoring Grant. Office of the Executive Vice President and Provost, Faculty Affairs, Virginia Tech.
  - *Date range: Fall 2018 – Spring 2019*
  - *$1,500*

- CodeWork: Exploring Digital Studies through code. *Institute for Advanced Study: Research and Creative Collaborative*, University of Minnesota.
  - *PIs: Justin Schell, Chris Lindgren, Alison Link, and Jeffrey Kerzner*
  - *Date range: Fall 2014 – Spring 2015*
  - *$10,000*

- Sugar on a Stick: Establishing a Smart Computing Culture in Fargo. *Community Projects Award: NDSU Office of the President*.
  - *PIs: Kevin Brooks, Brian Slator, and Chris Lindgren*
  - *Date range: Fall 2011 – Spring 2012*
  - *$20,000*

not funded

- What are programming languages?' Research Survey. Center for Humanities Summer Stipend. Center for Humanities, Virginia Tech.
  - *Start date: Summer 2019*
  - *$4,000*

- Niles Grant. College of Liberal Arts & Human Sciences, Virginia Tech.
  - *Start date: Summer 2019*
  - *$4,000*

Community Outreach

roles

- Partner. (2021 – current). The Rematriation Project. Aqqaluk Trust, Virginia Tech, and North Carolina State University.
- Co-Founder. (2010-2013). "Sugar on a Stick" Computational Coding Afterschool Program for Grades 3-5, Fargo, ND. Co-Partnered with Sugar Labs. https://wiki.sugarlabs.org/go/Sugar_on_a_Stick

Workshops & Symposiums

community

planned / coordinated

(25 May 2026 – 5 Jun. 2026). MYSTERY in the Archives. The Rematriation Project. Funded by IMLS – Laura Bush 21st Century Librarian Program. https://www.imls.gov/grants/awarded/re-259004-ols-25-1

national

invited

Chris Lindgren & Dan Richards. (Oct. 2024). 'Does SIGDOC Need a New Logo?': An Exploration of Visual Rhetoric, Ethics, and Identity. *ACM SIGDOC*. George Mason U, Fairfax, VA.

Chris Lindgren, Marissa Buccilli, & Amilia Evans. (29 Jun. 2022). Socially Just Content Strategy. *Association of Teachers of Technical Writing*. Online-Only.

planned / coordinated

(11 Nov. 2022). Webscraping with Python! - Part 1 – The legalities and ethics of web scraping as a data collection method. *SIGWROC*. https://sigwroc.github.io/wroc-web-scraping-series/1-overview-setup/index.html.

(15 Apr. 2015). Ethics of codework - Parsing ethical responsibilities: Drs. James Brown, Jr. and Phillip Barry. *CodeWork Collaborative*. Institute of Advanced Studies, University of Minnesota. https://umncodework.github.io/past_events/codework-event-on-rhetoric-writing/.

(24 Oct. 2014). The rhetorics of code-work and programming as writing. Special Panel of interdisciplinary scholars: Drs. Annette Vee, Cristina Videira Lopes & Krista Kennedy. *CodeWork Collaborative*. Institute of Advanced Studies, University of Minnesota. https://umncodework.github.io/past_events/codework-event-on-rhetoric-writing/.

(Feb.-Mar. 2014). 'Genderswapping' or 'misgendering'? A question of 'Jailbreaking the Patriarchy'. *Critical Code Studies Working Group* (*discussion thread leader*). The Humanities and Critical Code Studies Lab, University of Southern California.

regional

planned / coordinated

Allison Link, Justin Schell, Chris Lindgren, & Jeffrey Kerzner. (18 Apr. 2015). CodeWork Unconference + Hackathon. *CodeWork Collaborative*. Institute of Advanced Studies, University of Minnesota. https://github.com/UMNCodeWork.

Allison Link, Justin Schell, Chris Lindgren, & Jeffrey Kerzner co-hosted with Girls in Tech MSP (Minneapolis). (31 Mar. 2015). Coffee and Code with CodeWork & GiTMSP. *CodeWork Collaborative*. Institute of Advanced Studies, University of

Minnesota. Available at https://umncodework.github.io/past_events/coffee-and-code-with-girlsintech/.

Allison Link, Justin Schell, Chris Lindgren, & Jeffrey Kerzner co-hosted with Code for America's local affiliate group, Open Twin Cities. (26 Feb. 2015). CodeWork/Open Twin Cities February Book Club: "Should all government data be made publically accessible?" *CodeWork Collaborative*. Institute of Advanced Studies, University of Minnesota. Available at https://umncodework.github.io/past_events/february-book-club/.

departmental

(25 Nov. 2024). Panelist. Reading Job Ads and Preparing a CV. Communication, Rhetoric & Digital Media Program, North Carolina State University.

(Apr. 2024). Panelist. Industry Skills for the 21st Century. Department of English & Distinguished Alumni Board, Virginia Tech.

(Jan 2023). Coordinator. Mock job talk for advisee (Marti Wagnon). Virginia Tech, Department of English.

(Fall 2021). Mock Interviewer. Mock job interview workshop. Department of English, Virginia Tech.

(Fall 2020). Panelist. Alternative Academic Career Workshop and Q&A. *Rhetoric & Writing*. Department of English, Virginia Tech.

(May 2019). Project management: On scaffolding investment & accountability during team projects. *Professional & Technical Writing Summer Workshop*. Department of English, Virginia Tech.

Co-designed with guest scholar Dr. Cheryl Geisler. (Nov. 2018). Analytical coding workshop. Center for Rhetoric in Society, Virginia Tech.

(Oct. 2018). Mock Interviewer. Mock job interview workshop. Department of English, Virginia Tech.

(Oct. 2017). Reviewer. Resume workshop. Department of English, Virginia Tech.

(May 2016). DITA and writing with content reuse in mind. *Advanced Writing Symposium*. University of Minnesota-Twin-Cities, Department of Writing Studies.

(Dec. 2014). Setting up your online portfolio website & basic HTML and CSS. *Professional Development Workshop Series*. University of Minnesota-Twin-Cities, Department of Writing Studies.

(Oct. 2014). Constructing your professional web presence. *Professional Development Workshop Series*. University of Minnesota-Twin-Cities, Department of Writing Studies.

Chris Lindgren & Rebecca Hayes. (Oct. 2011). Seeing and constructing visual arguments in online spaces. *Innovation in the Composition Classroom: Ways to Incorporate Digital Tools*. North Dakota State University.

Teaching

North Carolina State University

Spring 2026
- Analysis of Verbal Data (ENG 506/798)
- Writing in Nonacademic Settings (ENG 522)

Fall 2025
- Advanced Technical Writing & Editing (ENG 517)
- Special Topics: Justice-Centered Data Design in the Humanities (ENG 498/583)

Fall 2024
- Technical Document Design & Editing: Accessible Design & Plain Language (ENG 314)
- Advanced Technical Writing & Editing (ENG 517)

Virginia Tech

Spring 2024
- ENGL 3814 Creating User Documentation
- ENGL 4814 Developing Online Content: Accessibility-Driven Web Design

Fall 2023
- ENGL 3844 Writing & Digital Media: Writing with Large Language Models

	• ENGL 4814 Developing Online Content: Accessibility-Driven Web Design
Spring 2023	• ENGL 4814 Developing Online Content: Accessibility-Driven Web Design
	• ENGL 4874 Special Topics: Intersectional Interaction Design
Fall 2022	• ENGL 4814 Developing Online Content: Accessibility-Driven Web Design
Spring 2022	• ENGL 4814 Developing Online Content: Accessibility-Driven Web Design
	• ENGL 5614 Visual Rhetoric & Document Design: The Problems of Scale and Data in Data Visualization
Fall 2021	• ENGL 3814 Creating User Documentation: Plain Language & Information Design
	• ENGL 4814 Developing Online Content: Accessibility-Driven Web Design
Spring 2021	• ENGL 4814 Developing Online Content: Accessibility-Driven Web Design
	• ENGL 4874 Special Topics: UX Research Methods
Fall 2020	• ENGL 3814 Creating User Documentation: Plain Language & Information Design
	• ENGL 4814 Developing Online Content: Accessibility-Driven Web Design
Spring 2020	• ENGL 6344 Rhetoric in Digital Environments: Racial-Capitalism & The Design of Communication
	• ENGL 4814 Developing Online Content: Accessibility-Driven Web Design
Spring 2019	• ENGL 4874 Special Topics: Feminisms and Interaction Design
	• ENGL 4814 Developing Online Content
Fall 2018	• ENGL 4814 Developing Online Content
	• ENGL 3844 Writing and Digital Media: Storytelling with Data
Spring 2018	• ENGL 5674 Rhetoric of Science and Technology
	• ENGL 3844 Writing and Digital Media: Storytelling with Data
Fall 2017	• ENGL 3844 Writing and Digital Media: Storytelling with Data (x2)
University of Minnesota	
Spring 2017	• WRIT 3562W Technical and Professional Writing
Fall 2016	• WRIT 3577W Rhetoric, Technology, and the Internet
Spring 2016	• WRIT 3562W Technical and Professional Writing
Fall 2015	• WRIT 4662W Writing with Digital Technologies
Spring 2015	• WRIT 3577W Rhetoric, Technology, and the Internet
Fall 2014	• WRIT 3577W Rhetoric, Technology, and the Internet
Fall 2012	• WRIT 1301 University Writing
North Dakota State University	
Fall 2009 – Spring 2012	• ENGL 110 Composition I (2 sections per semester)

Relevant Experiences

Linger Ink Freelance Writer and Editor, 2005 – 2012

- Collaborated with marketing teams on (re)branding campaigns by developing ideas and copy for web, brochures, media kits and radio scripts
- Developed content strategies and websites for businesses
- Wrote and edited grants, proposals, press releases, etc.

Advising & Mentoring

Ph.D. Chair	• Marti Wagnon. Beyond the tall, tall trees: Studying access and digital literacy in Appalachia (Graduated Spring 2023). Virginia Tech.

- *Assistant Professor of Technical Communication at Radford University, Department of English.*

Member

- John C. Gordon. Navigating code studies. (external committee member). Utah State University.
- Chloe Robertson. Navigating the Legal Constraints of Being a Nonimmigrant: A Study of the Technical Communication Challenges for International Graduate Students Studying in the US. (Graduated Spring 2024). Virginia Tech.
- Kat Gray. *White Memory and the (Counter)Stories We Might Tell* (Graduated Summer 2023). Virginia Tech.
- Amilia Evans. *Predominantly white institutions and racialized diversity rhetorics: Building a Critical Discourse Methodology toward an institutional reinscription* (Graduated Spring 2023). Virginia Tech.
- Margaret Fernandes. *Sensing suppression: The sneaky rhetorics of digital content moderation on TikTok*. (Graduated Spring 2022). Virginia Tech.
- Matthew Homer. *Towards a Decolonial Haole Rhetoric*. (Graduated Spring 2022). Virginia Tech.
- Kelly Scarff. *Beyond consensus: A rhetorical genre analysis of the Mountain Valley Pipeline's 401 public hearings*. (Graduated Spring 2021). Virginia Tech.
- Andrew Kulak. *Internet ontology and the future of digital rhetoric*. (Graduated Spring 2019). Virginia Tech.

M.A. / M.S.

Chair/Advisor

- Justin Watson. *A comparative case study of simplification strategies used to mitigate information overload on e-commerce websites* (tentative title). NCSU, M.S. in Technical Communication.
- Sami Zito. *eRezLife quick reference guides for student staff of University Housing* (tentative title). NCSU, M.S. in Technical Communication.
- Jonathan Harding. *Student perceptions of screencasted feedback*. (Graduated Spring 2018). Virginia Tech.

Member

- Rhys Whittemore. Tabletop role-playing games and the actual play show: Author, audience, and adaptation. (Graduated Spring 2021). Virginia Tech.
- Zach Thomas. Embodied rhetorics. (Graduated Spring 2019). Virginia Tech.

Research Projects

The Rematriation Project

Prototyping “Pakak”: A Mobile Texting Web Application for Community Archiving

- Daksh Pratap Singh, Web Developer, M.S. Student, Computer Science, North Carolina State University, Summer 2025

Landscape analysis of digital archive UX

- Marissa Buccilli, RA, PhD Student, Rhetoric & Writing, Virginia Tech
- Amilia Evans, RA, PhD Student, Rhetoric & Writing, Virginia Tech

Landscape analysis of digital archive data repositories

- Swati Lodha, RA, M.S. Student, Computer Science, Virginia Tech

Data Literacy Curriculum Design and Scripting

- Chloe Robertson, RA, PhD Student, Rhetoric & Writing, Virginia Tech
- Temitope Ojedele-Adejumo, RA, PhD Student, Rhetoric & Writing, Virginia Tech

Machine-learning visualization & documentation strategies

Co-occurrence analysis of data visualization and textual documentation strategies in computational notebooks conducting machine-learning techniques

- Supreet Bonthala, RA, Undergraduate, Computational Modeling & Data Analytics

Infrastructural Praxis Twitter Project

Qualitative Coding & Reporting

- Maggie Fernandes, RA, Ph.D. Student, Rhetoric & Writing, Virginia Tech

Service

International

- Advisory Board Member. ACM Special Interest Group on the Design of Communication. (2022 – present).
- Website Manager. ACM Special Interest Group on the Design of Communication. (2022 – present).
- Reviewer for
  - *IEEE Transactions on Professional Communication*
  - *International Journal of SocioTechnology and Knowledge Development*
  - *Written Communication*

National

- Member. 2026 NCTE CCCC Technical Communication Research Awards Committee.
- Member. 2025 NCTE CCCC Resolutions Committee.
- Founder and Chair (2017-2025). Special Interest Group on the Writing and Rhetorics of Code. *NCTE - CCCC*.
- Reviewer for
  - *Journal of Business and Technical Communication*
  - *Technical Communication Quarterly*
  - *Computers & Composition*
  - *Kairos*
  - *Present Tense*
  - *Prompt*
  - *Itineration*
- Conference Reviewer for
  - *IEEE Procomm*
  - *ACM SIGDOC*
- Writing Mentor. Kairos.
- Data designer. Rhetmap.org: Market comparison. Produce and maintain data visualizations for discipline's job market website.
- (Oct. 2022). Consulted faculty at the University of Utah about the design of their new "Code Studies" course.
- (Jan. 2021). Consulted faculty at the University of Washington about the design of their new "Data Studies" minor.

University

Virginia Tech

- Member. Undergraduate Curriculum Committee. (Spring 2024). College of Liberal Arts, Humanities, and Social Sciences.
- Member. Working Group for new "Digital Content Creation" minor. (Fall 2021). College of Liberal Arts, Humanities, and Social Sciences.

- Member. Communities of Practice for Writing-Intensive Courses. (Summer 2020). College of Liberal Arts, Humanities, and Social Sciences.

University of Minnesota

- Co-Founder. CodeWork Collaborative grant-funded project. (Fall 2014 – Spring 2015). Institute for Advanced Study. University of Minnesota-Twin Cities.

Department North Carolina State University

- Member. Advisory Committee. (Fall 2025 – present).
- Member. Research & Professional Development Committee. (Fall 2025 – present).
- Member. Professional Writing Committee. (Fall 2025 - present).
- Member. M.S. Technical Communication Program Committee. (Fall 2024 - present).
- Member. Department Voting Faculty. (Fall 2024 – present).

Virginia Tech

- Member. Diversity Committee (Fall 2023-Spring 2024)
- Member. Professional and Technical Writing Committee (2020-2023)
- Member. Rhetoric & Writing PhD Program Committee (2017-2022)
- Member. Executive Committee (2019-2021)
- Member. Addressing Anti-Blackness in Professional and Technical Writing Working Group (2020)
- Member. Caregivers Working Group (2020)
- Member. Professional and Technical Writing Sub-Committee (2018-19)
- Member. Recruitment Committee (2017-19)
- Pathways General Education Course Redesign: Writing and Digital Media (ENGL 3844, Approved Fall 2019)
- Co-planned redesign of department's Digital Studio classroom (Spring 2018)
- Organized Guest Scholar Visit: Dr. Annette Vee (Fall 2018)
- PhD Application Review Committee (Spring 2018)

Affiliations

- Association of Computing Machinery's Special Interest Group on the Design of Communication
- Association of Teachers of Technical Writing
- NCTE/CCCC
- NCTE/CCCC's Special Interest Group on the Writing and Rhetoric of Code. (2016-2025).

Languages

Human

- Japanese (Beginner)

Human/Machine

- HTML5/CSS3 (Advanced)
- Python (Advanced)
- JavaScript (Advanced)
  - *Including experience with Observable/D3 frameworks*
  - *Node.js (Intermediate)*
- DITA (Advanced)
- PHP (Novice)

- R (Novice)

Proficiencies

Research Methods

Qualitative:
- Ethnographic methods: interviewing and observational techniques
- Case-study design and analysis
- Survey design

Quantitative:
- Social network analysis: centralities, community detection, backbone, and multiple correspondence analyses
- Natural language processing: lemmatization and stemming, keyword extraction and shifts, named entity recognition, and topic modeling

Usability and UX:
- Task/scenario development
- A/B testing
- Think-aloud protocols
- User interviews
- Agile methodology

Content Strategy:
- Landscape analysis
- Content inventories and audits
- Prioritization planning: Stakeholder interviewing, content overlays, priority guides

Other Data Collection:
- Webs scraping: documented and undocumented application programming interfaces; public web; ethics and legalities.

Computational Environments
- Jupyter notebooks
- Observable / Framework
- Rstudio (novice)
- Tableau
- Gephi

Internet Technologies
- cPanel Suite
- Wordpress Gutenberg blocks theme development

Video
- Adobe Premiere
- iMovie
- FFMPEG

Graphic/Image
- Adobe Illustrator and Photoshop
- GIMP
- Inkscape
- Imagick

Audio
- Ableton Live

	• Adobe Audition • Audacity
Course Management	• Blackboard • Canvas • Moodle
Version Control	• git/Github • FTP
